[12] Plot of THE ACP Krishna (Venkatesh) is a cordial man who has a lot of empathy even with criminals. Sailaja (Nayanthara) is the daughter of an accused person named Sastry (Jayaprakash) for murder, wanted by the police and hiding somewhere. Sailor runs her family's catering business and fights her four sisters and grandmother (Sowcar Janaki) on one side. On the other side, he faces an existential threat from Mallesh Yadav (Sampath Raj), a great who is henchman MLA Puchappa (Posani Krishna Murali), and both of whom are after Sastry. Another thing that suffers him is Battayi Babji (Prudhviraj), his mother's uncle's son, who tortures him every day to marry him. Once, Krishna meets Sailaja when he is in a sad mood. The compassion inside him works out, and he falls in love with him at first sight. Later, he learns about his problems and the fact that Sailaja hates the police. As a result, he hides his identity, targets Babji, catches him with a comic strip, introduces himself to Sailajal as a common man with babji's help, and begins to help him and his family. In this process, they develop a bond, and Sailaja also begins loving her. However, Krishna's real action plan is different. He is appointed commissioner (Murali Sharma) to catch Sailaja's father Sastry. That's why he'd made this whole plan. Meanwhile, Sailaja's grandmother collapses with a heart attack and wants to see her son Sastry, Krishna forces Sailaja to call his father. By giving assurances, he's going to force her to do it. But his real motive is to catch him. Sastry's visiting the hospital. When Krishna tries to arrest him, he listens to the good impression that Sailaja and his family are having him, so he can't arrest him. Suddenly the CI (Brahmaj), who is an assistant to Krishna, enters the scene, surrounds Sastry and reveals the whole truth regarding Krishna. Sastry escapes from there, but suddenly puchappa and mallesh attacked the sons of the tolgas. He's seriously injured and is going into a coma. Krishna protects him and joins the hospital, but when Sailaja finds out Krishna's real motive, he starts hating him and asks him never to show his face. Things get mad between the couple, and they break up. Soon after, Krishna begins a serious investigation into the hidden truth in which he learns that Sastry is an income tax officer. In the raid on puchappa's house, he and his boss get a pendrive containing the secrets of Puchappa and Mallesh. The boss is trying to make a deal with Mallesh. Knowing that, Sastry keeps pendrive under the wrap. That's why, Puchappa and Mallesh kill the boss, put the blame on Sastry, and they are after pendrive and his family. The rest of the story is all about how Krishna protects the Sailaja family, proves his father's innocence, catches the culprits, and gets back his love.
